IMPORTANT ANNOUNCEMENT.

Respectfully announce that THE NORTH AMERICAN REVIEW.

ducted by Dr. Peabody, passes new into the subrial charge of
PROF. JAMES RUSSELL LOVEL, and
CHARLES ELLOT NORTHS, Esq.,
gentlemen who, for sound and elegant scholarship, have achieved an envisble reputation has
in this country and in Europe; and whose incredincation, and experience eminently qualify than
for the position they have assumed.

Of the former, it may be said that his stays
in the portodical which, under his schorable,
reached the summit of its fame, surpassed in
vigor and force those of any centralium.

Of the latter, that he has "added here hope
to the name he bears by the extent and time.

to the name he bears by the extent and street of his knowledge, and by the force and elegant which he has exhibited, both as a writer and a speaker."
And of both, that their thorough loyalty a And of both, that their thorsugh legals at the liberal institutions of fur country, and the sympathy with the progressive element of the times, renders them peculiarly fixed to cooke The Review, which has by competent authors

In discussing political and social questions a spirit of Tax. Review will be thoroughly on al and loval. It will defend and Plastras-distinctive principle on which the institute-

terial of thought and scholarship which is country can supply. In its criticism it will have no costs to estant those of sound learning and good area. Bound by strong associations to the part sympathy with the present, hopeful far to butter, The Braview will do its part in the hole that movement of the times.

The Norra Associates Review is palicularly, on the first days of January. Acting and October, in numbers of about the hundred pages cells containing matter semi an ordinary octave volume.

Trains—Free dollars a year, or one dalls at twenty-five cents per number.

On the first of January next my Rocks will be closed, and from that Inital soft Goods STRICTLY FOR CASH. Knowing this to be the last rule for both buyer and soller, it will be rupilly adhered to. By selling Goods for each down, I can sell cheaper than can be sold on long winded accounts.

Of the Cattle Market, made by a remaining round during the entire day and take sell grounds during the entire day and take sell and the sales, giving the game to be sold on long winded accounts.

Of the Cattle Market, made by a remaining round take to remain a grounds during the entire day and take sell and the sales, giving the game to be suffered by a remaining rounds during the entire day and take sell buyer and seller, together with the weight of the Cattle Market, made by a remaining round that the subset of the Cattle Market, made by a remaining round that the subset of the Cattle Market, made by a remaining round that the subset of the Cattle Market, made by a remaining round that the subset of the Cattle Market, made by a remaining round that the subset of the Cattle Market, made by a remaining round that the subset of the Cattle Market, made by a remaining round that the subset of the Cattle Market, made by a remaining round that the subset of the Cattle Market, made by a remaining round that the subset of the Cattle Market, made by a remaining round that the subset of the Cattle Market, made by a remaining round that the subset of the Cattle Market, made by a remaining round that the subset of the Cattle Market, made by a remaining round that the subset of the Cattle Market, made by a remaining round that the subset of the Cattle Market, made by a remaining round that the subset of the cattle Market, made by a remaining round that the subset of the cattle Market, made by a remaining round that the subset of the
